

Rodolfo Nadres  
EIT - Principal  
[Rodolfo@partneresi.com](mailto:Rodolfo@partneresi.com)

## Education

Bachelor of Science, Environmental Engineering,  
California Polytechnic State University,  
San Luis Obispo

## Registrations

OSHA 40-Hour Health and Safety Training

Mr. Nadres has more than five years of experience in the environmental consulting industry. He has extensive experience in all aspects of subsurface investigations, from due diligence Phase II subsurface investigations to remediation projects overseen by local and state agencies.

Mr. Nadres has designed, performed, managed, and/or senior reviewed hundreds of subsurface investigations, including the following product types:

- Phase II Subsurface Investigations
- Phase III Site Characterizations
- Soil Gas Surveys
- Underground Storage Tank Removals
- Underground Storage Tank In Place Abandonments
- Remedial Cost Estimates
- Health Risk Assessments
- Quarterly Monitoring
- Methane Surveys
- Geophysical Surveys
- Pesticide Sampling
- Peer Reviews

Mr. Nadres has technical experience in all levels of various remediation technologies, from design to implementation, to address soil and groundwater contamination. He has

installed, executed, and/or overseen the following remedial technologies:

- Soil Vapor and Dual Phase Extraction
- Remedial Excavation
- Air Sparging
- In-Situ Chemical Oxidation
- Ozone Injection
- Over-Excavation

The following table includes some of the contaminants of which Mr. Nadres has overseen the characterization and remediation in soil and/or groundwater:

- Gasoline
- Diesel
- Chlorinated Solvents [tetrachloroethene (PCE), trichloroethene (TCE), cis-1,2-dichloroethene (DCE)]
- Dense and Light Non-Aqueous Phase Liquids
- Heavy Metals (Lead, Arsenic, Chromium, Copper, Zinc)
- Pesticides
- Methane

Mr. Nadres has considerable experience with regulatory agencies and has a significant portfolio of sites brought to closure status. The following is a list of local, county, and state agencies that have provided oversight for projects overseen by Mr. Nadres:

- City of Los Angeles Fire Department
- City of Ontario Fire Department
- City of Long Beach Environmental Health
- Los Angeles Regional Water Quality Control Board
- Santa Ana Regional Water Quality Control Board
- County of Los Angeles Fire Department
- County of Los Angeles Department of Public Works
- County of San Bernardino Fire Department
- County of San Diego Department of Environmental Health
- County of Ventura Environmental Health
- State of Hawaii Office of Hazard Evaluation and Emergency Response
